EDUCATION

2009 - 2016 **Maths-science major**
Annuntia Insituut Wijnegem
Third cycle ASO degree A-certificate, 77%.

2017 - 2018 **Self-study webdevelopment**
I learnt both practically and theoretically using courses. See skills.

EXPERIENCE

2013 - 2014 **Art commissions**
Freelance
I started taking art commissions in order to learn how to communicate with clients.

2014 - 2017 **HTML + CSS snippets**
Freelance on DeviantArt
I initially coded out of curiosity on DeviantArt. From 2014 on I had enough experience to make pages for users within the site.

2018 - now **Webdesigner + front-end webdeveloper**
Freelance
At the moment I take projects from clients to design and/or develop websites.
